Christopher Zelich -

czelich@photovaclaser.com

President, Photovac Development Corporation, Grove City Ohio.

Chris was a co-founder of Advanced Laser Services in the mid 80's (with Gregory Absten) - one of the first national independent groups. Photovac now specializes in laser tube refurbishment and refilling of sealed tube CO2 lasers. www.photovaclaser.com

John McCauley

John.McCauley@ophir-spiricon.com

Midwest Regional Sales Manager - Ophir-Spiricon.

Since 1998, I've been an end user and Laser Applications Engineer of laser marking systems, working with Nd:YAG lamp-pumped and diode-pumped, Nd:Vanadate, Yb:Fiber and CO2 marking lasers. Before joining Ophir-Spiricon, I've serviced mostly the automotive, aerospace, medical and dental device manufacturing and promotional industries. I joined Ophir-Spiricon in January of 2009 as their Midwest Sales Engineer. Ophir-Spiricon provides solutions in laser beam power/energy measurement as well as beam profiling for all lasers from deep UV to Far IR. Based out of the Indianapolis IN area.

Rotating or Previous Faculty Members:**Don Ciesielski**

Senior Field Service Engineer, Trace Services, Chicago IL

Trace@LaserServiceAlliance.com

John Abel - President, EA Services Inc, - Penn Argyle, Pennsylvania. johnabel@rcn.com

Terry Storer - The Laser Medic. Bedford TX. Over 20 years experience in laser service with Coherent and Lumenis. Now provides independent laser service. terrystorer@comcast.net

Frank Lazzaro

Retired Senior Laser Engineer / Physicist with The Aerospace Guidance and Metrology Center, Newark AFB.

Tom Woodward

GE Clinical Services. AL

Angel Rodriguez

Formerly with Candela Laser Corporation. angelcholor@aol.com . Del Ray Beach, FL

Eric N. Absten

Formerly with WorldLink Biomedical. Columbus OH

Ken May

Laser-Med Services, Greater NYC Area. Formerly with Candela Laser. kcmay@optonline.net

Tom Enneking

Mount Carmel Health System, Columbus OH

Steven Jones

Independent Laser Service (and former student of our repair class). IN
